## Work

Govini

### Senior Product Designer

2023 - Present

Pittsburgh, PA

Designing decision-grade data products for the US defense tech industry. Collaborating with data science teams, ML experts, and government analysts to make commercial data more accessible to DoD leadership and the broader national security sector.

Carnegie Mellon University

### Adjunct Faculty Instructor

2020 - Present

Pittsburgh, PA

Teaching courses, workshops, and lectures on design speculation and research. Topics include IoT, computation, maker-culture, and how we tell stories. Advising thesis projects for undergraduate and graduate students.

Copia Automation

### Lead Product Designer

2021 - 2023

New York, NY (Remote)

First design hire and sixth overall hire. Collaborated with internal stakeholders and active users to design end-to-end version control products for industrial automation. Led all design output, including scoping requirements, facilitating reviews, and finalizing mocks. Created design system and branding to uplevel organizational efficiency.

FIGUR8

### Product Designer

2019

Boston, MA

Worked with Des to develop storyboards and wireframes for a mobile app onboarding flow. Prototyped data visualization UI to display KPIs. Created visual assets and other marketing collateral for print and web.

---
